The Church Photo Directory for 2005 is in rough draft form and was posted on the bulletin board for corrections. We are hoping to have it published before the end of September. Thank you to everyone that participated in the directory.

Our Website now has a RSS feed for updated page distribution.

Really Simple Syndication delivers any updated information to a subscribers RSS reader automatically. We have 5 pages that are updated regularly and has led to 2,085 visitors since January!

Fellowship at the Slone's house after Sunday morning service on the 14th was a welcomed time of great eats! Paul and Roberta provided everything for a great cookout. We just had to bring an appetite for hot dogs and burgers! Thanks!

Brother Philip Messer brought the message during Sunday morning service on the 7th and he and his family provided worship music also. A special fellowship followed service. The Messer family also worshiped with us on July 31st.

The Junior Campers began 7-31-05 and returned Saturday the 6th from camp. They sang some of the songs they learned and recited memory verses in service on the 7th. Praise God for these young people! Pray that the Holy Spirit will forever impact their lives! See the web photos.

Church Camp 1st week Teen camp was the last week in July and had 112 attend with 7 making a decision for Jesus! Praise God! Thanks for all donations and volunteers that prepared food and transported the campers, which made this ministry a success! See web photos.
